

RE: Whole School Attendance

September 2022

Dear Parent/Carer

The link between attendance, attainment, and the progress of students in school is beyond doubt. We, at school, know that full attendance is the largest contributing factor of any student's achievement. A single day's absence means at least two days' loss of progress.

1. Less than 95% attendance will lead to some underachievement as a result of two weeks absence.
2. Less than 90% attendance will lead to severe underachievement

This year the DfE have changed the
