for students to take part in activities such as quizzes, karaoke and food tasting.

In addition, we have a cultural club after school providing students weekly sessions in culture from around the world.

We run a series of Careers in the Curriculum Week week in February.

During MFL lessons, we investigate languages around the world and the importance of language learning in the global jobs market.

Careers lessons raise students' awareness and understanding of where languages can take you.

Our rewards system can be broadly split into four categories: classroom level, subject level, school level and privilege rewards. We'll focus on classroom and subject rewards here - for more information about our rewards schemes, please see our website.
