economic benefit from the role of global citizenship.

Through oracy skills, expansion of vocabulary and literacy we aim to enable students to communicate confidently in a wide range of social settings. In KS3 we believe that our curriculum and enrichment content promote a seamless transition into the GCSE language

The MFL curriculum is sequenced to allow knowledge and skills to develop simultaneously and progressively. By revisiting and enhancing key language skills in different settings students develop their ability to recall, analyse and evaluate usage and at the same time build

Year 11 Curriculum

In Year 11, students cover a wide range of content linked to the GCSE specification. We have cycles of different topics which are simultaneously designed to revisit previous learning and build new language acquisition. This enables students to consistently build on previous skills and commit vocabulary to longer term memory.

The topics in Year 11 encourage students to strategically revisit and recall prior learning and to further embed vital GCSE vocabulary. All topics have been specifically constructed to give an array of opportunities to develop listening, reading, speaking and writing skills, all with the aim to prepare students for their final GCSE examinations.

Year 11, complete mock exams during this year to ensure they are prepared for their final GCSE examinations.

Some of the topics we cover in Year 11 are;

All of the topics we cover in MFL have sentence builders which contains all the vocabulary students need to succeed in their language lessons.

The sentence builder shows students how to link words into sentences with the added support of English translations.

These resources, along with the language gym online are essential tools that student can use to supplement their language learning and aid revision.

We run a series of Careers in the Curriculum Week in February. During MFL lessons, we
