Year 12 Curriculum

The A-level language course offers students a truly exciting and in-depth study of their chosen language. Students have the opportunity to enhance and refine their language skills building on prior knowledge and learning a breadth of new vocabulary through engaging topics. The topics studied at A-Level enable students to develop confidence and consistently improve their fluency and understanding of complex grammar.

Furthermore, all topics are infused with real life examples of current issues affecting French and Spanish speaking countries, as well as important themes linked to cultural heritage. This enables students to become immersed in the culture from the very start of the course. The literary texts and films also give students essential skills such as learning to analyse and evaluate sources in a foreign language whilst simultaneously enhancing their essay writing skills.

Some of the topics we cover in Year 12 are;
