## Curriculum Intent

A high-quality Physical Education curriculum inspires all students to participate in a broad and balanced curriculum.

It should provide opportunities for students to become physically

Opportunities to compete in sport and other activities, build character and help to embed values such as fairness and respect.

students.

## Year 11 Curriculum

Our Physical Education curriculum includes invasion games, striking

In addition to these traditional physical activities, the curriculum also includes inclusive sports such as sitting volleyball, boccia, goalball and blind football.

In Year 11, students continue with one CORE PE lesson a week and this were the last cohort to go through BTEC Sport and completed their Personal Training unit to great success.

GCSE students have followed one theory lesson and one practical lesson a week. They have concentrated on mastering their sports to be moderated as well as preparing for their exams that they take in May and June.

Year 11 students will continue to develop their character and physical competence as well as increasing their knowledge and understanding of the value of life long participation in Sport. This is done by ensuring lessons are both engaging and purposeful as well as additional opportunities for students to 'try something new' in the form of taster sessions.

Students should tackle complex and demanding physical activities. They should get involved in a range of activities that develop
