Dear Parent / Carer

At Wickersley Partnership Trust it is our aim that all students leave 'Able and Qualified' and that students leave our school ready to play their full part in society.

As such we are delighted to inform you that all Y10 students will this year have the opportunity to complete a week of work experience in the summer term. Work experience enables students to understand what it is like to be in a place of work and also develop key life skills such as teamwork, communication, and resilience. It is important to note that this placement may not be linked to a student's future career choice but will enable students to gain valuable experience in the world of work.

Our work experience placements will take place in the following week.

Week 1 (30th June to 4th July) - A half (forms A - G)
Week 2 (7th July to 11th July) - B half (forms H - R)

Whilst we may only be in September, as I am sure you can appreciate, the process of acquiring placements for all students is a long one and so we have already begun by informing students in assembly and will soon be completing application forms during tutor time. The deadline for students to complete their forms is the end of the autumn term Friday 13th December 2024.
