We want to help our pupils to understand the routes they have in order to progress on their life journey.

Drama and Theatre can lead to further study in drama, theatre studies and performing arts in higher education at degree or HND level or drama school. It may lead on to a career in the performing arts industries, teaching, journalism, writing, leisure, social work or any number of careers which require developed critical and creative skills. It is an analytical and creative.

Our vision is that every student across each year group has the opportunity to see at least one live performance per year. These exciting opportunities are

Students have been encouraged to think about careers that are intrinsically linked to the skills taught in Drama lessons, such as performers, stage management, set designer, movement director and how different jobs use different skills. Each element of the career can be linked to the Drama Way and explore how the skills taught in Drama lessons can be used in the wider world.
