Our intention is that all students have a full understanding of how to develop themselves as well-rounded citizens, maintain health, relationships and understand how to keep themselves safe both online and in the real world.

We want all students to know what options are open to them in the future and understand the routes they have in order to progress on their life journey.

Our vision is that every student across each year group has the opportunity to see at least one live performance per year. These exciting opportunities are currently being organised.
