Dear Parent/guardian,

Re: Y11 | Key dates and events

I am writing to inform you of important information regarding key dates and events for our current Y11 students.

Firstly, I would like to say a massive well done to our Year 11 students on the positive start they have made this term. Year 11 teachers and tutors have commented that their attitude towards learning has been excellent in lessons.

As we look towards the future, we want to share our commitment to supporting our young people in achieving the best results possible for their qualifications. We understand how important these achievements are for their future, and we are dedicated to providing the necessary resources and assistance to help them succeed. Our team is working hard to implement various support systems, including tutoring, mentoring, and additional learning resources. We believe that with the right support, our students can reach their full potential.
