THE MFL

We are flexible and think creatively

WE USE OUR LISTENING SKILLS

We develop social skills using languages that we are interested in

We break texts down

We respect

We are interested in & know where languages can take us

We understand our own language better

WE WORK ON IMPROVING OUR MEMORY

We watch things in another language

We are invested in other cultures

We problem solve

We use technology to enhance our language learning

We learn our vocabulary & use the language we learn

we develop confidence in our communication skills in different situations
